Kitchen Solution

Kitchen Sinks | Kitchen Organizers | Kitchen Appliances | Modular Kitchens

About Us

With variety of features, styles and colours to choose from, lotus kitchen appliances combine decorative versatility with dependable performance. The philosophy of “change when the time changes” has been explicitly understood by Lotus, thus continuous improvement in products and applications have been the key factor.

The range of appliances include Cooker Hoods, Cooking Hobs, Built In Microwaves and Ovens. The entire range has been developed not just to add to aesthetic elegance of kitchen but also to improve the cooking environment and to add ease to traditional as well as modern cooking styles. Lotus has range of hoods which are powerful, quite and ergonomic.

Lotus combined kitchen culture and latest design philosophy according to varied lifestyles and aesthetics of different ethnics. Lotus kitchen appliances are all made through excellent design and craftsmanship, innovative technology, unrivalled functionality and environment friendly concept helping to shape an exclusive kitchen just to suit any ones needs.
