# About us

One of russia's famed rivers, VOLGA brings in joy and life-giving water to many. Volga bath fittings is an atempt to usher in the innumerable pleasure of water to customers.

All products are crafted with precision technology, with an eye on aesthetics from qualitative and select materials, in a state-of-the-art plant. Thereafter, they undergo a battery of tests before they can be emblazoned with the legend and truly called VOLGA.

This brochure is a collection of the magic of VOLGA, with all its superiority and shades on display. Run your eyes through it and select the one that goes with you and your life.
