About Us

Despite the recent establishment of our company, **Dev International**, in the year of **2020**, we have been able to successfully reach out to large number of customers in the market. This has been possible because of our strategic marketing techniques with which we promote our wide variety of products. As a **supplier, exporter and trader** the product range we are offering includes **Polyoxyl CH403 Hydrogenated Castor Oil, 956 Carbomer Powder, 940 Carbopol Powder, Anthranilic Acid Powder, Polyoxyl CH455 Hydrogenated Castor Oil** and many others. For procuring the range, we have tied up with some of the top manufacturers of the industry. Additionally, we always make sure to test the sourced products on various quality standards before shipping these to the customers.

It is essential for a company which deals in chemical products that it maintains good product quality. To ensure this, we have hired knowledgeable professionals as a part of the team in our company, Dev International. Every one of them possesses a good understanding and excellent knowledge of the chemical industry. We are able to ensure the highest quality in our variety of chemicals which includes 956 Carbomer Powder, Polyoxyl CH455 Hydrogenated Castor Oil, Polyoxyl CH403 Hydrogenated Castor Oil, 940 Carbopol Powder, Anthranilic Acid Powder, etc., with their continuous hard work and commitment. All in all, our strong team has never disappointed us and has always focused on increasing the productivity of our company, in every way possible.

Chemicals are one of the materials that are used in many industries such as the automotive, clothing, pulp, pharmaceutical, etc. But their efficiency should be optimal for the successful application of the chemicals in the aforementioned industries. At Dev International, our primary focus is on offering the customers with the finest collection of chemicals which comprises Polyxyl CH352 Hydrogenated Castor Oil, 5 Sulpho Anthranilic Acid, 934 Carbopol Powder, Polyxyl CH353 Hydrogenated Castor Oil, etc. We have our own facility located in the business-leading city of Ahmedabad, Gujarat, India, from where we are also excelling our business with the constant guidance of our mentor Mr. Bhavesh Dudhat.
