

SCIENTIFIC LAB

We create healthy laboratory at its best !

History

Scientific Lab was established in 1997. It is a well established company and a pioneer in the field of laboratory & medical furniture. The company has over 10 years of manufacturing reputation in this field. We have our customer base across India. We have been committed to quality and total customer satisfaction and hence we got an edge over our fellow service provider.

SCIENTIFIC LAB

We create healthy laboratory at its best !

Our Core Strength

Scientific Lab is dedicated to the healthy and esthetic solution of research, clinical and experimental lab. Our core strength is our knowledge and skill. We are a company managed by professional and well experienced engineers with back up of a team of technical personnel. We are having comprehensive experience and exposure in the field of esthetic & ergonomic design. We have adopted modular concept way back in 2001. Our products are easily installable and ease in shipment. Hence we are technology driven. Our jobs are directly supervised by our core ergonomic experts and carried out after exhaustive understanding of customer's requirement.
