

FLOWER OF LIFE

NATURAL SOAPS

# Premium Bath soaps

**Flower Of Life is focused on combining time-tested ancient knowledge ~ such as Ayurveda, Aromatherapy, Unani, Tibetan medicine, popular home-remedies that have been tried & tested for generations, and so on from across the world ~ with modern technologies to create beauty and health care products that have a positive impact on an individual's mind, body, & soul.**

**Ayurveda is a complete way of life. It is not only about treating sickness—it is about preventing disease and enhancing health, longevity and vitality. The goal of Ayurveda is to achieve harmony and balance. This is attained without drugs or invasive treatments. A balanced diet, herbal remedies, gentle exercise and physical therapies are the main methods used**

- \* **Ayurveda is the oldest surviving complete medical system in the world. Derived from its ancient Sanskrit roots - 'ayus' (life) and 'ved' (knowledge) – and offering a rich, comprehensive outlook to a healthy life, its origins go back nearly 5000 years. To when it was expounded and practiced by the same spiritual rishis, who laid the foundations of the Vedic civilisation in India, by organizing the fundamentals of life into proper systems.**

\*

with inter-crossing of 13 circles forming several Vesica Piscis. It is one of the oldest spiritual symbols of energy, balance, & harmony. It represents the entire creation. It can be found in the temples, art, and manuscripts of cultures from all over the world.

The Flower Of Life is a sacred power symbol... It is considered to be a wholly integrated expression of “All-That-Is.”

The Flower Of Life is a perfect metaphor illustrating the connectedness of all life and spirit within the universe. It is considered sanctified among many cultures, both ancient and modern, throughout the world.’

Our products are energized by the Flower Of Life symbol to render similar properties to them.

\* Swati Soaps was established in the year 1991 by Dr. N.L. Murty, a leading scientist & soap technologist. Dr. Murty was the head of the R&D of The Tata Oil Mills Ltd . Mumbai. He was on the BIS panel & has given the ISI standards for soaps, detergents, & oils. He has a lot of research papers published in India & abroad. He has over 50 years of experience & has been a consultant to many Indian and African companies.

Swati Soaps is one of the leading manufacturers, suppliers, and exporters of toilet soaps. The company has a versatile infrastructural setup with modern machineries, latest production techniques, and product development “know how” to successfully meet the varied product requirements of our clients.
