About Us

At Lamia Impex, our continued development and progress can be attributed to our ability of providing customers with the highest quality LCD Marine Radar & Marine Equipment. We began our business in the year 2011 to lend an edge in the equipment industry, specifically designed for marine use. Today, we have become a well-renowned supplier, trader, & wholesaler of 585 Plus Garmin Marine Radar, 7 Onwa Marine Radar, KFISH 7 Onwa Marine Radar, CVS 126 Koden Echo Sounder, etc. These products are available in a range of specifications and standards cited by the Indian government. We ensure that we successfully acknowledge the specific requirement of each of our clients and deliver the orders at their facilities as expected.

Marine equipment are useful for studying the ocean and marine life, and also aid in the proper treatment of our adversaries during naval battles. Therefore, it is essential for us to ensure that our products feature high-end, advanced technology and assure optimum safety at sea.
