

**Products Certification Body**  
**Institute for Testing and Certification, Inc. (ITC), Zlín, Czech Republic**

# **CERTIFICATE**

## **No. 16 0578 T/ITC**

confirms that the products

**Single taps and combination taps for water supply systems  
of type 1**

**The product types given in the Annex No. 1/ No. 16 0578 T/ITC**

manufactured by company

**HSIL Limited**

corporate address:

**Unit No. 301-302, 3<sup>rd</sup> floor, Park Centra, Sector-30, NH 8, Gurgaon, 122001, Haryana,  
India**

factory address:

**SPI-254, RIICO Industrial area, Kaharani, Bhiwadi, Distt-Alwar-301019 (Rajasthan)**

complies with the requirements stipulated in the document

***EN 200:2008 Sanitary tapware – Single taps and combination taps for water supply  
systems of type 1 and type 2 – General technical specification***

The Institute for Testing and Certification achieved positive results when testing the product in accordance with the certification process of scheme 1a pursuant to the requirements stipulated by ČSN EN ISO /IEC 17067 and the above technical specifications. A description of the product, documentation, evaluation procedures and the results of the re-testing process are presented in Final Protocol No. **313500782/2016**, which is attached to this Certificate.

*Terms of use of certificate and related information:*

1. This Certificate is issued on a voluntary basis and is only valid for the product (products) and modifications thereto stated in the Certificate and in relation to the issued certification document.
2. The Institute for Testing and Certification, as the issuer of this Certificate, confirms the existence of the relevant certification document.
3. This Certificate in no way implies supervision or inspection of the product by ITC.
4. This Certificate remains valid provided that no changes are made to the production technology used, the standards applied or the relevant legislation, although no longer than up to the validity date specified below.
5. The Certificate holder is obliged to organise its own production quality assurance system to ensure that the certified product continues to comply with the requirements stipulated by the relevant certification document and terms of use of this Certificate while the Certificate is valid, and is obliged to inform ITC of any changes in raw materials or production technology that could affect the properties of the certified product.
6. When using the Certificate, the Certificate holder must abide by the Certificate Usage Rules, which are available to the public at [www.itczlin.cz](http://www.itczlin.cz).
7. The validity of this Certificate may be verified at [www.itczlin.cz](http://www.itczlin.cz).

Approved and issued: **2016-12-16**  
Valid until: **2019-12-31**
