About Us

The unique variety of products our company, M T Exports, provides, has helped us gain a competitive market advantage. Back in the year 2009, our company was established and since then we have been a well-known manufacturer, supplier, trader and wholesaler of a diverse product assortment. Copper Coated Welding Wire, Aluminum Hammer Head, Titanium U Bolt, Copper Sledge Hammer Head, Square Brass Rod, and many more unique products are offered by us. After the completion of the production process, we make sure to test all products in conformance with the highest quality standards. All of our products are priced affordably for the benefit of our customers. Furthermore, we ensure that customer orders are packaged securely and shipped to their respective destinations promptly.

Extreme commitment and determination are needed to back a good market position. On the other hand, our business, M T Exports, has increased its standing in the market as a result of our high level of passion and hard work. By consistently offering our customers high-quality products such as Bare Copper Wire, Golden Brass Rod, Brass Sledge Hammer Head, Brass Square Pipe, Brass Hammer Head, and others, we have been able to establish a leading position in the industry. Our facility is situated in the city of Mumbai, Maharashtra, India, where products of such high quality are manufactured using cutting-edge production techniques. Along with providing clients with high-quality products, we also make sure to conduct business with them according to ethical standards.
