About Us

METALEX CRYOGENICS LTD. is a technology, engineering, manufacturing and solution company. It is one of the largest and most respected companies in India's Refrigeration Sector. More than five decades of a strong, customer-focused approach and the continuous quest for world-class quality have enabled it to attain and sustain leadership in the Refrigeration Compressor Industry. Our main products are Refrigeration Compressors, Compressor Spare Parts, Ammonia Pump, Industrial Valves, etc.

Metalex has an international presence, with a global spread of distributors. A thrust on manufacturing Quality Products with latest CNC Machining Infrastructure has seen Metalex Product acceptance grow significantly in the Local & Global Market. Our manufacturer and exporter company is backed by a well-spread marketing and service network, and have established a reputation for strong customer support.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	ammonia tanks,ammonia receiver,vegetable cold storage,tube ice machine,ammonia pump,ammonia compressor,ammonia refrigeration equipments,
No of Staff	100
Year of Establishment	1997
OEM Service Provided	No
ProductRange	ammonia tanks,ammonia receiver,vegetable cold storage,tube ice machine,ammonia pump,ammonia compressor,ammonia refrigeration equipments,

Our Products**Compressor Genuine Parts****Ammonia Single Cylinder Compressor****Tube Ice Machine****NRV Check Valves****Flange Type Angle Valve****Liquid Level Glass****Industrial Tube Ice Machine****Tube Ice Machine****MPX-2 Series****Single Stage Reciprocating****Ammonia Compressor Parts****Ice Manufacturing Plant****Ice Plant Machine****MX Series****Industrial Ice Tube Making****Tube Ice Plant**
