

DDS International HOUSE OF QUALITY ELECTRONIC COMPONENTS

EXPLORING EMERGING TECHNOLOGIES WORLDWIDE

DDS International is a company engaged in manufacturing and imports of switches, sockets & connectors since 2009. Found by Mr. Diwan Chand Sachdeva having great experience in the highly technical sector of switches & connectors. His thoughts and business ethics are now followed by Mr. Ashish Sachdeva & Mr. Chiranjeev Sachdeva.

DDS International successfully deals in all kinds of tactile switches, rocker switches, slider switches, glass fuses, fuse holders, potentiometers, pin headers & connectors and had successfully launched these in market where customers use these for reliable manufacturing of various appliances like Invertors, DTH Players, DVD Players, Induction Cookers, USB Players, Torches, Computers and LCD/LED/Colour TVs, Diodes, ICS, Transistors & many more...

We have established quality for our brand Dzeal by excellent delivery, quality & competitive pricing. We thrive to keep ourselves a step ahead of today's radically changing technological advancements.

OUR VISION

India's leading company offering world class electronic components i.e Switches, Sockets, Connectors etc. Being the leading company does not mean being the biggest but it does mean being the best in terms of consumer value, customer service, employee talent and consistent and predictable growth.

OUR MISSION

To combine aggressive strategic marketing with quality products and services at competitive prices to provide the best insurance value for consumers.

A WIDE RANGE OF QUALITY TACTILE SWITCHES

Tactile Switches that we offer are widely appreciated for features like shock resistance, heat resistance, sturdy construction and high performance. Available in different sizes and specifications, our Tactile Switches are exclusively used in electronic industry. We are listed amongst the top-notch Tactile Switches Manufacturers and Suppliers based in India.

A WIDE RANGE OF QUALITY ROCKER SWITCHES

We have carved a niche as one of the most eminent Rocker Switches Manufacturers and Suppliers based in India. Shock resistance, heat resistance, durability and high performance are the major factors owing to which our Rocker Switches are widely demanded. Rocker Switches that we offer are available in various sizes and specifications to meet different application needs.

A WIDE RANGE OF QUALITY PUSH BUTTON TORCH EMERGENCY LIGHTS SWITCHES

We bring forth a wide collection of Push Button Torch Switches installed in different types of torches for easy operation. These Push Button Torch Switches are also used in all modern electronic equipment. These Push Button Torch Switches are highly effective in controlling the flow of current. Owing to factors like durability, efficiency and reliable performance, our Push Button Torch Switches are widely in demand.

A WIDE RANGE OF QUALITY
POWER SWITCHES

We came up with a vast array of Power Switches widely used for controlling the functions of turning on/off any device. Our Power Switches are widely used in washing machine, A/C, refrigerators, CTV, DVD players and deck. These Power Switches are appreciated for their flawless performance, durability, quality and strength. We make available these Power Switches in diverse specifications.
