CROMPTON GREAVES LIMITED

Crompton Greaves has been a pioneering player in the field of artificial illumination since last three decades. It has contributed significantly to the development of good lighting practices in most of the application areas.

At the heart of the R & D setup is the lighting laboratory comprising fully automated mirror gonio photometer (high speed photometry) for measuring the spatial distribution of light, and evaluating the optical performance of the luminaire.

The sophisticated laboratory houses other critical equipments for testing and evaluating a number of electrical & mechanical parameters of the new products developed, ensuring the best quality for our valued customers.

A very simple, fast and user friendly software "CG LUX" has many satisfied users viz: consultants, architects, interior designers etc. It enables lighting designers to make their own lighting calculations and design illumination schemes.

State of the art manufacturing facilities are available at Baroda Lamp Works (BLW) for light sources viz: incandescent lamps (GLS), fluorescent tubes (FTL), HID lamps, compact fluorescent lamps (CFL) and recently introduced T5 lamps. Along with ISO 9001, BLW also has the distinction of being certified by UL for ISO14001(EMS) and ISO18001(OHSAS). It also has product certifications from Bureau of India Standards and Bureau of Energy Efficiency.

In line with international trends we have been adopting the best business practices aimed at maximising customer benefits. Introduction of e-commerce i.e. transacting business online through the internet, has offered our dealer fraternity a speedy and smooth interface for business transactions.

Offering the best lighting products and establishing the standards for good lighting practices for customer satisfaction is what Crompton Greaves has been striving for and will continue to do so.

STRIP TYPE FTL LUMINAIRES

WITH ALUMINIUM/COPPER BALLAST

SUPERGOLD

CAT REF	LAMP TYPE	CASE LOT	MRP ` EACH
DSG12L	1x18/20W FTL	20	320.00
DSG14L	1x36/40W FTL	16	330.00

Strip type FTL luminaire with aluminium ballast.

CROM SUPER

CAT REF	LAMP TYPE	CASE LOT	MRP ` EACH
DSG1214L	1x36/40W FTL	16	315.00

Strip type FTL luminaire with VPIT aluminium ballast.

*Rated 110V, suitable for 2x20W FTL luminaire with single ballast.

GENERAL NOTES APPLICABLE FOR ALL LUMINAIRES

- All prices are subject to our general terms and conditions of business.
- Prices are subject to change without notice.
- Items other than those included in the price list are withdrawn from the range.
- All prices of luminaires are without tubes/CFLs (except Liteline).
- Prices are inclusive of excise duty, sales taxes and local levies at the prevailing rates.
- This price list supercedes our all earlier price list.
- FTL stands for fluorescent tubular lamp and CFL stands for compact fluorescent lamp.

As there are continuous efforts to improve the design and method of manufacturing, the product may differ in some respects from the details given here in.

Maximum retail prices (MRP) is inclusive of all taxes.

Dealers are at liberty to sell at lower prices.

List of Products being phased out (w.e.f. 01.07.11)
