

Company Profile

Spring Water Hydration Technology Pvt. Ltd. has been in water Industry since last 10 years. with brand name Cruze

Cruze is one of the prominent manufacturers, distributors, suppliers, traders, and service providers of a wide range of Reverse Osmosis Parts, which includes RO Systems, Bracket, Filter Wounds, Housing, Membrane, Pump, and others. Manufactured from top grade material and precision engineered as per the latest technology, these products are in compliance with international standards and best serve the purpose. Besides, customers can avail these products at industry leading prices.

The Company deals in domestic, commercial & Industrial water purification system.

In view of our valuable and satisfied customers, with share queries and knowledge and best research to the direct end users as well. During the past year experience to meet the requirement of customer we had introduced new range of body, pumps & Inline filters.

We adopt the most advanced technology through the innovative idea, consistent pursuit production quality to develop and produce the RO pump, motor, PP spun filter, membrane housing and filter cartridge and its elements.

From the last 10 years we are giving Quality product and we are the first one to do this and we will never ever compromise in Quality.

Certification :

we are also ISO 9001:2008 standard Company

*The Best Water Filtration
in the world of RO System*

Dolphin Water Purification

Build-in High Capacity Booster Pump
Efficient removal of bacteria and viruses
Efficient removal of Hardness
Auto Shut-Off When No Feed Water Comes In
Easy Installation, Just Plug & Drink
Dust Proof & Insects Proof

Model No. : SW-01

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

Quality
Water
for Quality
Life

Ultima

Water Purification

Build-in High Capacity Booster Pump
Extremely huge & grand Capacity
Improves taste of water by removing hardness
Efficient reduction of TDS & Auto Shut-Off
Easy Installation, Just Plug & Drink
Dust Proof & Insects Proof

Model No. : SW-02

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

SAFE RO SYSTEM WITH SAFE WATER

Safe Water Water Purification

- Build-in High Capacity Booster Pump
- Designer graphics on the body for superior looks.
- Efficient removal of hardness & Harmful Chemicals
- Easy Installation, Just Plug & Drink
- Dust Proof & Insects Proof

Model No. : SW-03
Purification Capacity : 12-15 Ltr./Hr
(as per membranes)
Tank Capacity : 9-10 Ltr.

Star+
Water Purification

Cruze
RO System

Big in Looking
Big in Capacity
Big in Filtration

Build with New Looks & Superior Style
Extremely Grand and Huge Capacity
Efficient removal of micro-organisms & Viruses
Easy Installation, Ro+UV+TDS Adjustment (optional)
Dust Proof & Insects Proof

Model No. : SW-05
Purification Capacity : 12-15 Ltr./Hr
(as per membranes)
Tank Capacity : 10 Ltr.

*World's
Most
Luxurious
RO System*

Mercury

Water Purification

Extremely Huge and superior Capacity
Build for Royal atmosphere
Removes Hardness & Improve Taste of Water
Auto Shut-Off When No Feed Water Comes In
Unbreakable Body and Easy Installation
Dust Proof & Insects Proof

Model No. : SW-07

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 10 Ltr.

The next generation
Altis RO System
has arrived

Modern styling with elegant transparent cover for protection against dust, insects, moisture.
Build with Wall mount design
Efficient removal of hardness, Harmful Chemicals bacteria & Viruses
Easy Installation, RO + UV option available
Dust Proof & Insects Proof

Model No. : SW-04
Purification Capacity : 12-15 Ltr./Hr
(as per membranes)
Tank Capacity : 9-10 Ltr.

**It's Safe for Baby
It's Safe for you.**

Silver+
Water Purification

Design with Huge space and Capacity
Build for Table Top and Easy Installation
Efficient removal of micro-organisms & Viruses
Stylish Looks and auto Shut off

Dust Proof & Insects Proof

Model No. : SW-08

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

A Better DESIGN A Better QUALITY

Marine Water Purification

- Extremely Versatile & Stylish Looks
- Efficient removal of micro-organisms & Viruses
- Efficient reduction of TDS & Auto Shut-Off
- Easy Installation
- Dust Proof & Insects Proof

Model No. : SW-09

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

Small in size,
but big in capacity.

AQUARIUM+

Water Purification

- New Design with New Looks
- Efficient reduction of TDS
- Efficient removal of bacteria and viruses
- Removal of Hardness & Easy Installation
- Dust Proof & Insects Proof

Model No. : SW-10
Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

FILTER CARTRIDGE

MINERAL & POST CARBON

GAC FILTER

Post carbon filter and polisher that improves the taste of the water

mineral & pH filter provide abundant active hydrogen & also increases reducing power by increases pH & healthy minerals

GAC filter which removes & chemical impurities like chlorine.

DIAMOND **STANDARD** **GOLD** **SILVER**

ECO **NEPTUNE** **NEPTUNE**

ALTIS **MERCURY**

Sediments filter 5 microns that removes suspended impurities from inlet water.
 Carbon pre-filter which removes & chemical impurities like chlorine.
 Post carbon filter and polisher that improves the taste of the water

RO MEMBRANES

RO Membrane eliminates 90-95.6% of all dissolved impurities & harmful substances in water, as well as completely eliminating algae, bacteria and viruses.

MEMBRANE & FILTER HOUSING

BOOSTER PUMPS

24 VDC / 36 VDC / 48 VDC /
Maximum Electric Current : 0.60A to 2A
Outlet Water Pressure : 80PSI to 200PSI
50 GPD / 75 GPD / 100 GPD / 200 GPD / 300 GPD / 400 GPD
