

Quality
Water
for Quality
Life

A large, high-quality photograph of a single water droplet falling into a pool of water, creating concentric ripples. The background is a soft, light blue gradient. The text "Company Profile" is overlaid on the right side of this image in a white, clean sans-serif font.

Company Profile

Spring Water Hydration Technology Pvt. Ltd. has been in water Industry since last 10 years. with brand name Cruze

Cruze is one of the prominent manufacturers, distributors, suppliers, traders, and service providers of a wide range of Reverse Osmosis Parts, which includes RO Systems, Bracket, Filter Wounds, Housing, Membrane, Pump, and others. Manufactured from top grade material and precision engineered as per the latest technology, these products are in compliance with international standards and best serve the purpose. Besides, customers can avail these products at industry leading prices.

The Company deals in domestic, commercial & Industrial water purification system.

In view of our valuable and satisfied customers, with share queries and knowledge and best research to the direct end users as well. During the past year experience to meet the requirement of customer we had introduced new range of body, pumps & Inline filters.

We adopt the most advanced technology through the innovative idea, consistent pursuit production quality to develop and produce the RO pump, motor, PP spun filter, membrane housing and filter cartridge and its elements.

From the last 10 years we are giving Quality product and we are the first one to do this and we will never ever compromise in Quality.

Certification :

we are also ISO 9001:2008 standard Company

LEX CRU™
WATER PURIFICATION

**A Better Design,
A Better Quality**

Extremely Versatile & Stylish Looks

Efficient removal of micro-organisms & Viruses

Efficient reduction of TDS & Auto Shut-Off

Easy Installation

Dust Proof & Insects Proof

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

Quality WATER
for Quality LIFE

Neptune

Water Purification

- Build-in High Capacity Booster Pump
- Build for Huge Water Capacity
- Build with Stylish Looks
- Removes Hardness & Improve Taste of Water
- Unbreakable Body and Easy Installation
- Dust Proof & Insects Proof

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

GOOD HEALTH
BEGINS WITH
PURE WATER

Mercury

Water Purification

- Extremely Huge and superior Capacity
- Build for Royal atmosphere
- Removes Hardness & Improve Taste of Water
- Auto Shut-Off When No Feed Water Comes In
- Unbreakable Body and Easy Installation
- Dust Proof & Insects Proof

Purification Capacity : 12-15Ltr./Hr
(as per membranes)

Tank Capacity : 10Ltr.

Water
for Quality
Life

Ultima Water Purification

- Build-in High Capacity Booster Pump
- Extremely huge & grand Capacity
- Improves taste of water by removing hardness
- Efficient reduction of TDS & Auto Shut-Off
- Easy Installation, Just Plug & Drink
- Dust Proof & Insects Proof

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

*The Best Water Filtration
in the world of RO System*

Dolphin Water Purification

Build-in High Capacity Booster Pump
Efficient removal of bacteria and viruses
Efficient removal of Hardness
Auto Shut-Off When No Feed Water Comes In
Easy Installation, Just Plug & Drink
Dust Proof & Insects Proof

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

BIG IN CAPACITY
BIG IN FILTRATION

Star+
Water Purification

- Build with New Looks & Superior Style
- Extremely Grand and Huge Capacity
- Efficient removal of micro-organisms & Viruses
- Easy Installation, Ro+UV+TDS Adjustment (optional)
- Dust Proof & Insects Proof

Purification Capacity : 12-15Ltr./Hr
(as per membranes)

Tank Capacity : 10Ltr.

SAFE RO SYSTEM WITH SAFE WATER

Safe Water

Water Purification

- Build-in High Capacity Booster Pump
- Designer graphics on the body for superior looks.
- Efficient removal of hardness & Harmful Chemicals
- Easy Installation, Just Plug & Drink
- Dust Proof & Insects Proof

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

*purity for your
sweet home!*

- Design with Huge space and Capacity
- Build for Table Top and Easy Installation
- Efficient removal of micro-organisms & Viruses
- Stylish Looks and auto Shut off
- Dust Proof & Insects Proof

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)

Tank Capacity : 9-10 Ltr.

REVERSE OSMOSIS
Water Purification System

*The next generation
RO System
has arrived*

Altis
RO SYSTEM

Modern styling with elegant transparent cover
for protection against dust, insects, moisture.
Build with Wall mount design
Efficient removal of hardness, Harmful Chemicals
bacteria & Viruses
Easy Installation, RO + UV option available
Dust Proof & Insects Proof

Purification Capacity : 12-15 Ltr./Hr
(as per membranes)
Tank Capacity : 9-10 Ltr.

Small in size,
but big in capacity.
