

ASA Engineers Pvt. Ltd. Is Commercial Tool room Incorporated In 1995

An ISO -9001 : 2008 Certified

ASA Engineers Pvt. Ltd. is a reputed Manufacturer, Exporter and Supplier of high technology range of Press Tools, Injection Mould Components, Core-Cavity Generation On CNC Milling, Precision Components, Deep Draw Press Tools, etc. We have been using high grade Tool Steels (1.2083,1.2311,starvax), Mild Steels, Alloy Steels and other raw materials to develop a high quality collection available in different sizes and specifications. We ensure high durability, efficacy and sturdiness of the products to guarantee complete client satisfaction.

- Design & Manufacture Rubber Injection Moulds
- Design & Manufacture of P.E.T Moulds
- Preform Moulds & Blow Shells
- Press Tools
- Plastic Molds
- Gauges ,Jig & Fixtures
- CNC Machine parts
- VMC Machine Parts

ASA Engineers Pvt. Ltd.

Product Range :- Rubber Injection\Compression Mold

Contact no. : 9810072617 Email : info @asa-engineers.com www.asa-engineers.com

ASA Engineers Pvt. Ltd.

Machinery Setup

- CNC VERTICAL MILLING MACHINES - 4nos.
- CNC TURNING CENTERS -- 2 Nos.
- EDM MACHINE -- 2 Nos.
- CONVENTIONAL LATHES - 3 Nos.
- CONVENTIONAL MILLING MACHINES - 2 Nos.
- CYLINDRICAL GRINDERS - 2 Nos.
- SURFACE GRINDERS -- 4 Nos.
- DRILLING MACHINES -- 2 Nos.
- TOOL & CUTTER GRINDER
