

SilVin™

Preferred compounds of PVC people

for specific PVC compounds

New world applications need
SilVin Spex

Your industry,
your application,
your specifics...

Customized SilVin Spex for you

also

SilVin™ spex

Flexible semi rigid & rigid PVC compounds
for extrusion & injection molding

Basil Prompt Vinyl Pvt. Ltd. is an ISO 9001 : 2008 certified company...and one of the only few qualified Indian compound manufacturer. Our compounds meet all the ISI standards and most of the international quality parameters.

ISO 9001 : 2008

spex FRLS

Premium Compounds for
Cables

Flame Retardant Low Smoke
compounds for Electrical,
Telecom, Home & Office
and Automotive cables

SilVin™ spex

Specific PVC compounds for extrusion & injection molding

SilVin has better
solutions for all kind
of specialty
PVC compounds

'Spex' Vinyl compounds cover hundreds of applications that a modern world need. From innovative to experimental to highly regulated, SilVin works on your specific needs...i.e. 'Spex'!

Extrusion grade compounds

- Flexible non-toxic tubings for Medical applications like, - Infusion Sets, Blood Sets, Urine & Enema Bags etc.
- Rigid PVC Pipes for Construction usage
- All kind of Wire & Cable application
- Rigid & Flexible Door Window Profiles
- Rigid & Flexible Automotive Profiles
- Flexible sheet for medical grade bags for Urine, Enema & Blood

Injection grade compounds

- Flexible non-toxic for infusion + blood sets
- Rigid non-toxic for mucus sets, measure volume set etc. also.. molded parts like infusion set spike, connectors etc.
- Rigid PVC fittings for construction
- Flexible/Rigid gaskets for helmet & chemical pump parts
- Inner liners for leak proof Caps & Closures
- Face mask , food container, non-toxic toys

spex FRLS

Premium Compounds for Cables

SilVin Flame Retardant
Low Smoke PVC compound
adds to your brand value

1 Electrical Cables for

- Power
- Control & Instrumentation
- Submersible Pump/Motor
- Three Core Flat Cables
- Appliance Cords
- Detonator Fuse
- Ele. Plugs & Connectors

2 Telecom Cables for

- General Purpose
- Flame Retardant
- Flame Retardant Low Smoke

3 Home & Office Wiring

- Signaling & Telephone
- Self-supporting Drop Wire
- Jumper Wire
- Switch Board Cables
- Coaxial TV Cables
- LAN Cables

4 Automotive Cables for

- AV, AVS and AVSS
- Battery Cables
- Mechanical Control

SilVin with its legacy of more than 30 years of compounding excellence, is the best choice for premium cable manufacturers. Spex FRLS compound gives you highest possible quality to the cable-casing. Whatever segment you are catering, SilVin has a solution for you. Flame Retardant Low Smoke PVC compound ensures better fire fighting quality compared to ordinary PVC coating. Cables made with Spex FRLS are less toxic in nature and emit considerably low amount of corrosive fumes.

Other specialty compounds

- Gamma radiation stable compounds
- Medical & food grade Phthalate free compounds
- Radio opaque compounds
- Industry specific compounds
- Plasticizers free compounds for flexible / rigid applications in medical, food, wire & cable

Conforming to global regulatory standards
