

Noble
Submersible Pump
& Motor Kit

Noble ENGINEERING CO.

Vinagar Uriha Road, VISNAGAR 384315 (N.G.) Dist. Mahesana Tel: (0795) 04 00105, 00106, 00107

Submersible Pump

ADVANTAGES & SPECIAL FEATURES

- (1) Easy Installation & Removal requiring no foundation.
- (2) Requires little space, does not require pump house.
- (3) Smooth & Silence running of the Motor.
- (4) Most economical in operation due to efficient design.
- (5) Suitable to install in difficult sites in narrow & slanting borewells.
- (6) No oil or grease contaminate the water.

APPLICATIONS

Agriculture :

Tubewell irrigation, Open well irrigation, River/Canal irrigation, Sprinkler irrigation.

Public Utilities :

Town/Village/Domestic Water supply.

Industries :

Service Water Supply Cooling Water circulation & Process Fire fighting services Mine & Construction sites Booster installations.

Manufacturers : 'NOBLE' Submersible Pumpset
