

**Stellar Gastronom is leading solution provider for refrigeration needs of commercial Food & Beverage operations. Stellar offers pre sale expert advice, widest range of commercial refrigeration products and comprehensive post sale services to hospitality segment. We work closely with our customers who include major restaurant chains, independent restaurant operators, hotels, corporate cafeterias, institutional kitchens, hospitals, entertainment venues.....etc**

#### **Why Stellar Gastronom?**

##### **Solid Experience**

We have been in this business since 1990 working as partners of a number of Indian and International hotel/restaurant chains which has enabled us understand the operational needs of our customers, develop new designs and conduct real time trials in hundreds of prestigious kitchens.

##### **Competence**

We have a great team of professionals consisting of engineers and F&B professionals who take charge of projects and work out most suitable designs and ensure timely deliveries as well as efficient pre/post sale services.

##### **Quality**

We work with some of the most trusted brands in cooling and climate control technologies. The capabilities of these world leaders; Danfoss, Emerson, Tecumseh, Dixell, Carel, Llyod's are brought together in our products.

##### **Reliability**

We offer a comprehensive range of innovative and highly reliable products from upright cabinets, counters, cold rooms through display cabinets, wine chillers and ice makers to blast freezers which are guaranteed to perform even in the most severe conditions.

# UPRIGHT CHILLERS / FREEZERS

Upright Chillers (+2°C to +4°C) and Freezers (-22°C to -18°C) are used in commercial establishments such as hotels, restaurants, QSR's and cafeterias across the country. These chillers/freezers come with generous cabinet volumes and excellent cooling efficiencies which considerably reduce running costs. These are extremely reliable machines fully backed by prompt service at local level and.....all this at very attractive prices.

## COUNTER CHILLERS / FREEZERS

Counter Chillers (2° to 4°C) and Freezers (-22°C to -18°C) are the most practical units for placement in areas where food is stored for immediate use for cooking or dispensing. These counters can be delivered with doors, drawers or combination of both. Counters can also be offered with cold pans as sandwich tables or pizza make-lines.

### Counter Chillers / Freezers with Doors

Model	Door	Overall Size mm	Capacity (Litres)	Temp	Electrical Rating V / Ph / Kw
CC 1 / CF 1	1	755 x 700 x 860	148	2 to 4 /-22 to -18	230 / 1 / 0.39 / 0.49
CC 2 / CF 2	2	1220 x 700 x 850	298	2 to 4 /-22 to -18	230 / 1 / 0.42 / 0.62
