Welcome To Our Product Catalogue

CE

ALEX EDUTECH EXPORTER is one of the leading science instruments manufacturers and exporters of science equipments, laboratory equipments, scientific products, scientific lab instruments like autoclave, incubators and ovens, laminar air flow, moisture meters, water distillation plants, laboratory balances, water bath, centrifuge, cooling equipments, water testing equipments, laboratory shaking machine, microtome, microscope, measuring instruments and laboratory instruments.

Our Vision

ALEX EDUTECH EXPORTER is committed to achieve customer satisfaction by supplying Quality Products & Services, adhering to customers' delivery requirements & also ensuring continual improvement. The company has been From time to time divisions have been added and presently the Company has the following major departments : -

- a) Manufacturing
- b) Marketing
- c) Inspection at Manufacturing Sites (IMS)
- d) Purchase
- e) Packaging & Internal Inspections (PII)
- f) Handling & Delivery (H&D)

Our Mission

ALEX EDUTECH EXPORTER has been able to increase our clientele worldwide. We have also participated in various International tenders successfully and bagged prestigious and valuable orders.

We have a vast experience in our trade both in domestic and International market.

Our Product Range

We are dealing in a wide range of products of Physics, Chemistry and Biology, Electronic Inst., Mechanical Inst., Anatomical Models, Reagents & Chemicals, Laboratory Inst. and provide total solution in field of Educational Equipments.

To provide Our Customers best value for their money. We are committed to Quality and Services.

Pumps, Fans & Compressor

- Multiple Water Pump Test Bench
- Reciprocating Pump Test Rig
- Centrifugal Pump Test Rig
- Multiple Oil Pump Test Rig
- Gear Pump Test Rig
- Rotary Vane Pump Test Rig
- Pumps in Series & Parallel
- Computer operated Test Rig for Pump in Series & Parallel
- Computer Operated Oil Pump Test Rig
- Jet Pump Test Rig
- Single Stage Reciprocating Air Compressor Test Rig
- Two Stage Reciprocating Air Compressor Test Rig
- Computerised Air Compressor Test Rig
- Pelton Wheel Test Rig
- Francis Turbine Test Rig
- Kalpan Turbine Test Rig
- Centrifugal Compressor Test Rig
- P-O plot for compressor

Fluid Machine

- Free and Forced Vortices Apparatus
- Apparatus for Study of Laminar and Turbulent Flow in Pipes
- Apparatus for Flow Measurement by Venturi Meter and orifice Meter
- Apparatus for Determination of Losses in Pipes and Fitting
- Meta-Centric Height Apparatus
- Impact of Jet
- Weirs and Notches
- Stability of Floating Body
- Losses in Pipes and Bends
- Bernoulli's Apparatus
- Hydraulic Bench

Turbines, Engines & Heat Transfer

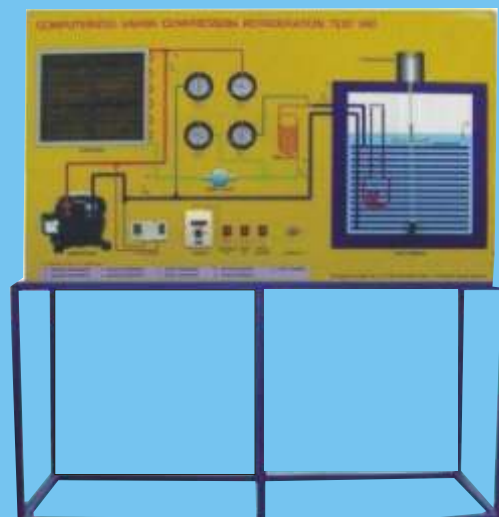

- Single Cylinder Two Stroke Petrol Engine Test Rig
- Single Cylinder Four Stroke Petrol Engine Test Rig
- Three Cylinder Four Stroke Petrol Engine Test Rig
- Four Cylinder Four Stroke Petrol Engine Test Rig
- Single Cylinder Four Stroke Diesel Engine Test Rig
- Two Cylinder Four Stroke Diesel Engine Test Rig
- Three Cylinder Four Stroke Diesel Engine Test Rig
- Four Cylinder Four Stroke Diesel Engine Test Rig
- Engine Test Rig with Fault Trainer
- PC Basic IC Engine Test Rig
- Multiple Engine Test Rig
- Engine Indicating System (P-V & P-O Diagram)
- PC Based Data Acquisition System for IC Engine Test Rig
- Exhaust Gas Calorimeter
- Heat Exchanger Trainer
- Photovoltaic Energy Trainer
- Turbojet Engine Trainer
- Mini Steam Power Plant
- Two-Shaft Turbine Engine Trainer

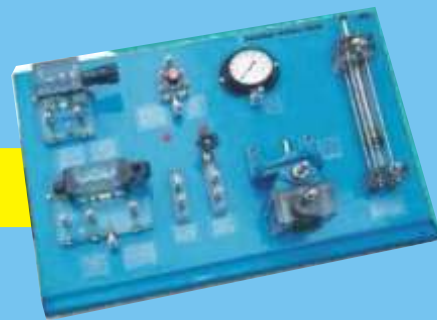

Refrigeration & Air Conditioning

- Refrigeration Trainer
- Transparent Evaporator Refrigeration System
- Refrigeration Trainer with Fault Tutor
- Ice Plant Tutor
- Cold Storage Plant
- Heat Pump Trainer
- Deep Freezer Trainer
- Bottle Cooler Trainer
- Refrigeration Compressor Test Rig
- Refrigeration Wiring Trainer
- Computerised Refrigeration Trainer
- Computerised Heat Pump Trainer
- Air Conditioning Tutor
- Air Conditioning Fault Trainer
- Condensing Unit Trainer
- Industrial Air Conditioning Process Trainer
- Automatic Air Conditioning Trainer
- Computerised Air Conditioning Trainer
- Split Type Air Conditioning Trainer
- Evaporative Cooler Test Rig
- Experimental Cooling Tower
- Experimental Thermoelectric Refrigerator
- Experimental Vapour Absorption System

Oil Hydraulic & Pneumatic

- Hydraulic Trainer
- Advance Hydraulic Trainer
- Electro-Hddraulic Trainer
- Electro-Hddraulic Servo Trainer
- PLC Based Hydraulic Trainer
- Computer-Based Hydraulic Trainer
- Transparent Hydraulic Trainer
- Proportional Hydraulic Trainer
- Pneumatic Trainer, Basic, Advanced and PLC Operated
- Transparent Pneumatic Trainer
- Electro-Pneumatic Trainer
- Computer-Based Pneumatic Trainer
- Silent Compressor for Pneumatic Trainer

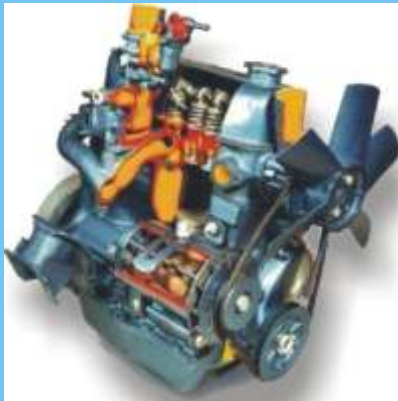

Instrumentation and Control Engineering

- PID Control Trainer
- Programmable Logic Control Trainer with Simulators
- Multi Process Trainer
- Temperature Control System
- Flow Control System
- Level Control System
- Pressure Control System
- Control Valve System
- P To I Converter Trainer
- I To P Converter Trainer
- Flow Measurement Trainer
- SCADA System
- Ratio Control Trainer

Cut Models

- Cut Section of Automobile & its Components
- Cut Section of Refrigeration Components
- Cut Section of Hydraulic & Pneumatic Components
- Break System of Vehicle
- And Many More
