

江苏华海钢结构有限公司

Jiangsu Huahai Steel Structure Co.,Ltd.

Seeking strategy of high quality

Constructing excellent Huahai

实施精品战略

铸造百年华海

- 公司简介
- **COMPANY PROFILE**

COMPANY PROFILE

Jiangsu Huahai Steel Structure Co.,Ltd. is a professional manufacturer of steel space frame, stainless steel space frame, light steel villa, light and heavy steel structure, bracket of solar panel since 1993. The company has been proved by ISO:9001,ISO:14001 and GB/T 28001-2001.

We have four production factories including Huahai Construction Design, Suhai Industry& Trading, Hualing Metal and Zhongli Real Estate. We have set up the office in Middle East, USA,H.K.,Beijing,Shanghai and etc.

Huahai company actively develops global market and have built school, stadium, space frame, steel structure for power, cement and other industries in USA, Saudi Arabia, UAE, Turkey, India, Thailand, Korea, Brasil, Kuwait, Australia. And we are strategetic partner of international owner and EPC company including POSOC and Samsung.

Workshop & Staff

Main product: Steel structure, space frame Annual capacity: 50000T(steel structure) 60000T(space frame)

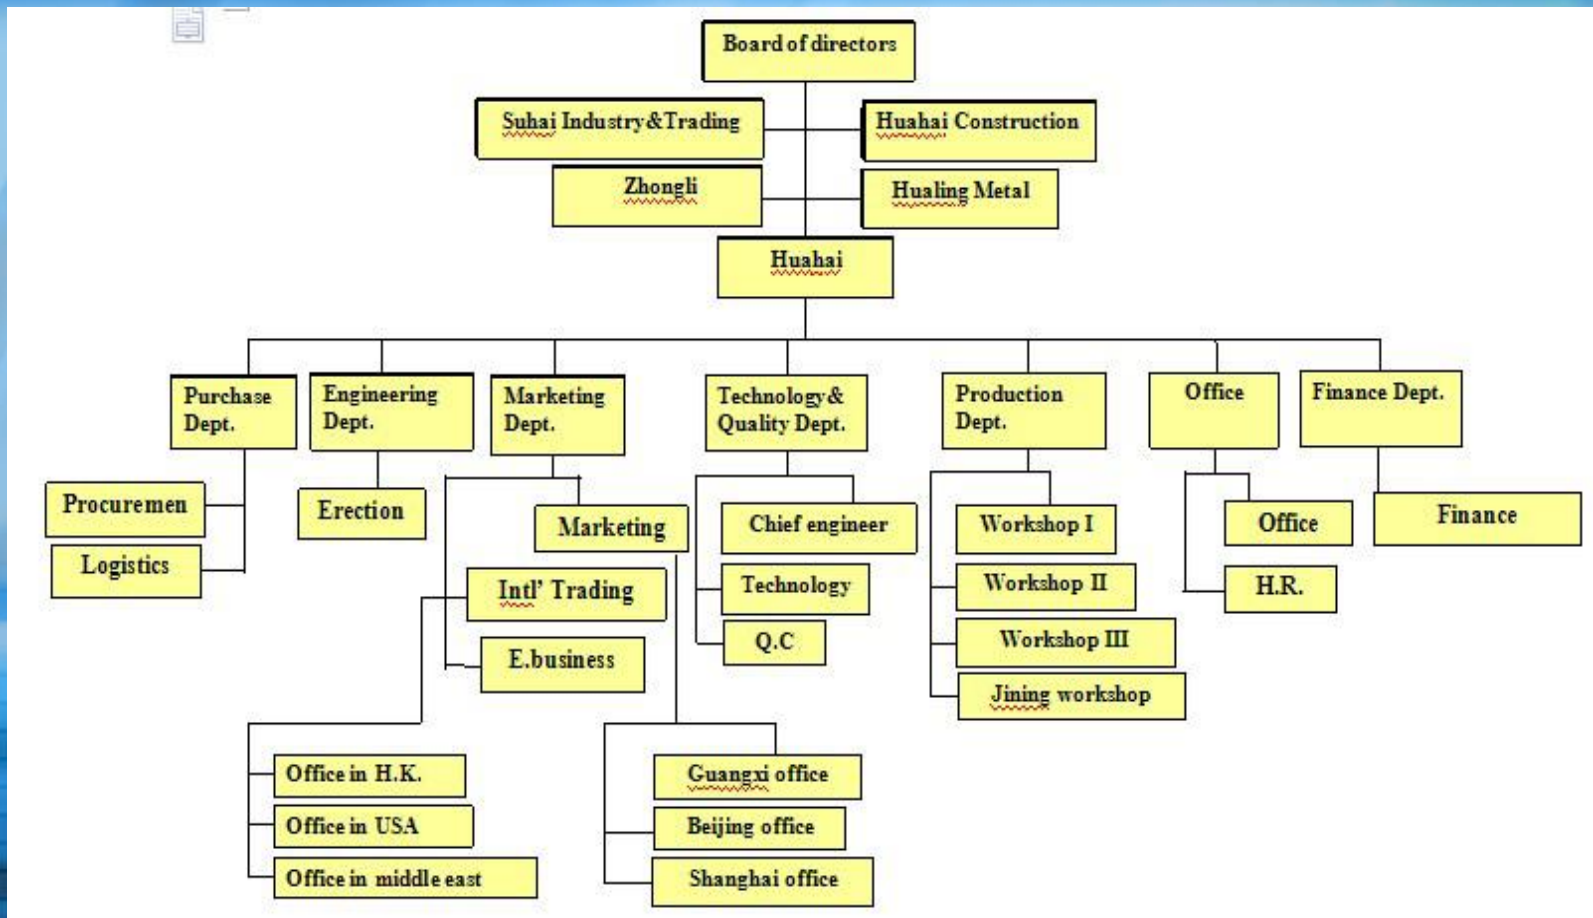

• Factory	Floor(m2)	Workshop(m2)	Annual capacity(t)
• 1	40,000	20,000	35,000
• 2	45,000	30,000	30,000
• 3	20,000	10,000	25,000
• 4	60,000	50,000	60,000

We have 450 staffs including 15 designers, 15 technicians, 20 Q.C., 25 project managers, 5 budgeters, 5 cost engineers, 270 workers and 80 installers. 80% fabricated by our company, 20% sub-contracted by other factory.

- Registered capital: \$ 2.06 million capital assets: 3.5 million
- Recent 2 years (2014, 2015) Annual sales amount (USD) 80 million
- Self-made 70% sub-contract 30%

ISO24001:2004

Certificate 企业资质证书

GB/T28001:2001

专业承包资质证

Contractor qualification Grade II

Patent Certificate(16 types)

- 华海钢构拥有数十项钢结构方面的专利
- 一种螺栓球节点网架结构的单元光伏太阳能支架Solar bracket made of space frame with bolt ball and node
- 一种新型组合桁架式檩条New one type of integrated truss purlin

Patent Certificate (16 types)

华海钢构拥有数十项钢结构
方面的专利

一种新型组合型房屋框架
New one type of housing frame

一种装配式薄壁型钢组合桁架
New one prefabricated thin-wall
integrated truss.....

Qualification of R&D

华海钢构设计研发实力
Qualification of R&D

强大的设计研发能力 R&D

公司与西安建筑科技大学、徐州工程学院联合成立了“江苏省节能抗震轻钢房屋研究开发中心，拥有独立的设计、研发部门工作站。

We owned our own work station and established Jiangsu Provincial R&D center of quake-proof light steel housing cooperated with Xian Architecture Science Unicerysity and Xuzhou Enginnering Academy.

Porject List

Space frame

工程名称：越南煤仓

工程概况：跨度为70米和68米，
18米高，153.6米长，各为5套。

Dry coal shed in Viet Nam

Span is 70m & 68m, 18m high, 153m
long, totally 10 sets.

Total area: 106,426m².

Under Construction

Space frame

工程名称： 中国联合水泥徐州
淮海水泥厂预均化库

工程概况： 此网架跨度为106米，长度
200米，高度为25米，屋面为单板。

Homogenization shed for Xuzhou
Huahai Cement Plant of CUCC

Span is 106m, 200m long and 25m
high. Color panel 0.5mm

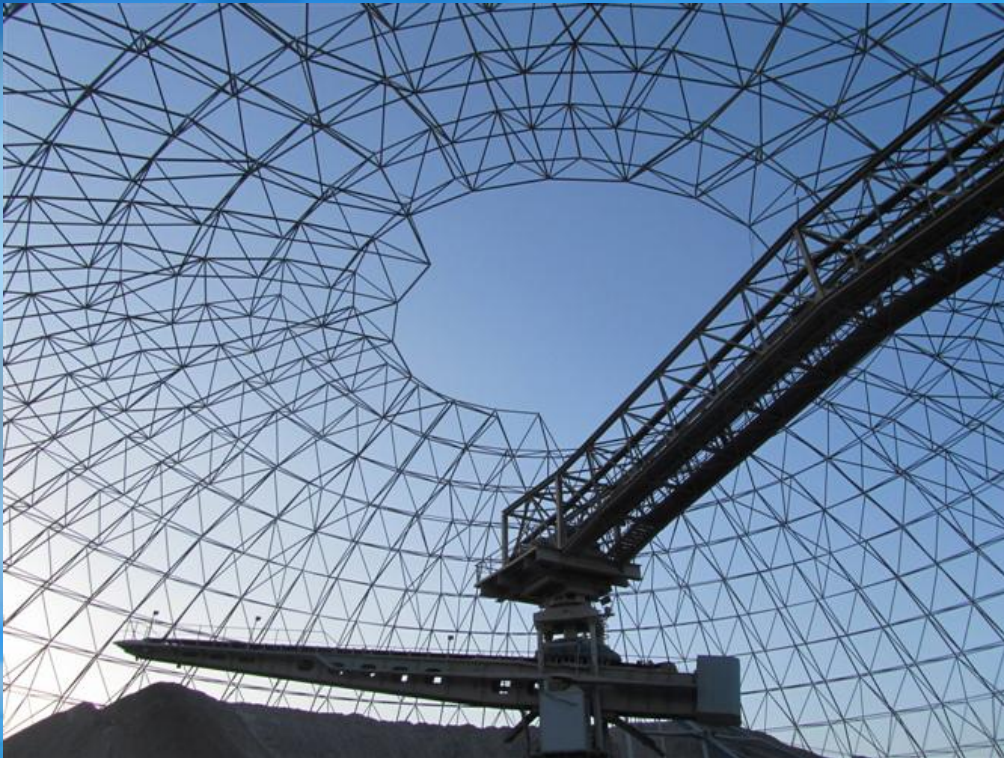

Space Frame

工程名称：印度韦丹塔铝业集团自备电厂干燥棚
跨度为90米，高度36米，长度260米。表面为环氧富锌涂层。
The dry coal shed for Vedanta Aluminium Corporation
150m long, the span is 90m, 30m high. It is the biggest
space frame in India in 2006.

Space frame

Dry coal shed for Philipine Power Plant

Diameter is 115m and 35m high.
Color panel 0.5mm

Zinc-rich epoxy primer and PU top coat.

- 工程名称：菲律宾电厂煤棚
- 工程概况：网架跨度为115米，高度为35米，网架表面防腐环氧富锌底漆+PU面漆。

Space frame

- Dry coal shed for Power Plant in **Kazakhstan**
- (49 * 216 * 21.5(m) & 38 * 184 * 17.5 (m))
- 工程名称: 哈萨克斯坦煤仓
- 尺寸: 49m * 216m * 21.5m & 38m * 184m * 17.5m

Space frame

Cover of swimming pool
Xuzhou Olympic Center Length:63m,
21m high, normal painting)

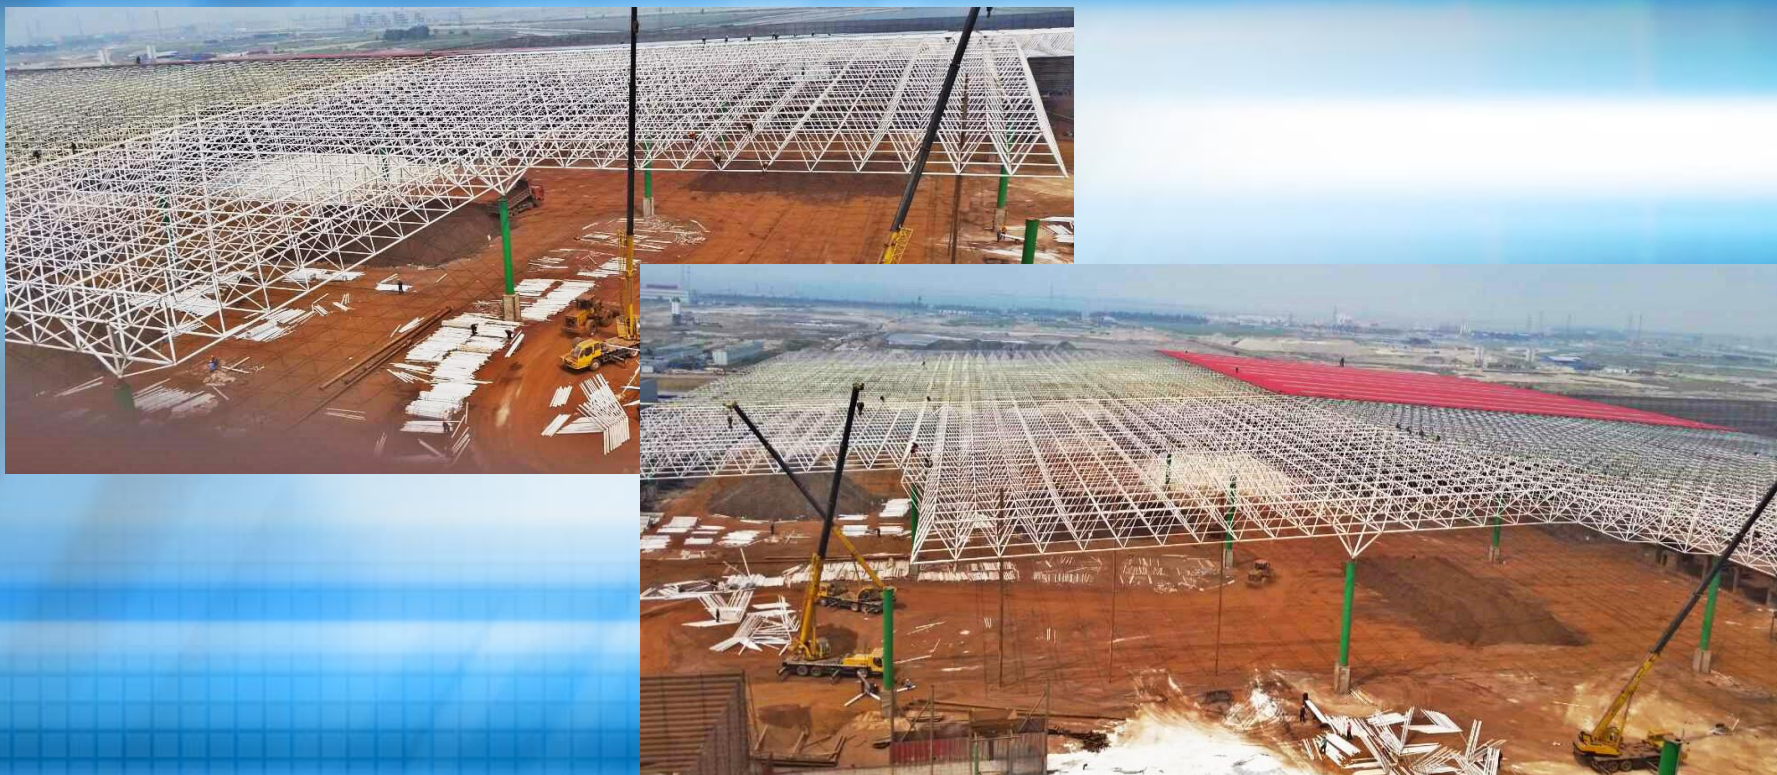

Dry coal shed

土耳其电厂干煤棚网架
Dry coal shed for Turkey Power
Plant (Length: 126m, 32m high, hot
galvanized material)

Space frame

Snitered coal shed for Wenfeng Machinery Ltd. in Tangshan,China
工程名称: 唐山文丰机械设备有限公司烧结料棚 220 * 264 *19.5 (m)

Space frame (Stainless steel)

- Covering shed for Chuangning Bio-tech Co.,Ltd. in Yili (Diam.28m 2pcs, 18m 4pcs)

- 工程名称：伊犁川宁生物技术环保池罩棚

直径28m 2个 直径18m 4个

Space frame (Stainless steel)

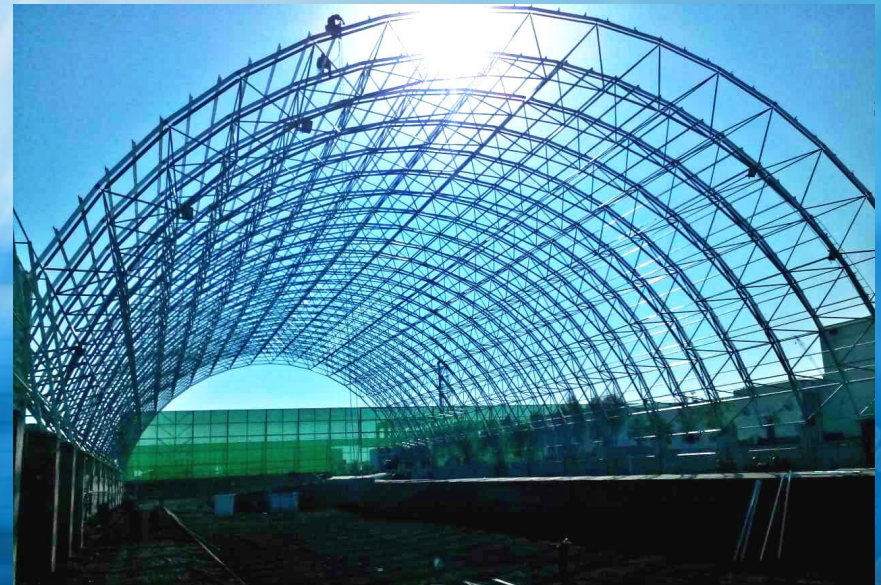

- Covering shed in UAE (50 tons)
30m long, 22m wide.

Space frame

Dry coal shed for CNPC in
Dushanzi, Xinjiang (41.5 *100 *20m)

工程名称：新疆中石油独山子石
化干燥棚 41.5 x100 x20(m)

Space frame

Entertainment center and Sport
Hall in North Korea
(21.9 *22 *2.2m/ 32.5*20*2.2m)

工程名称：朝鲜娱乐中心体育中
心（68 tons）

钢结构厂房/Steel structure

预制房屋/Prefabricated house

Residential building 210m²
(2 living rooms, 5 bedrooms, 1 laundry,
1 storage and 3 toilets)

Office building 360m²
(8 offices, 2 halls, 2 playrooms,
2 toilets)

预制房屋/Prefabricated house

Can be customized from design and installation according to your requirement

预制房屋/Prefabricated house

Sliding door for greater view and sunshine

Family building 182 m²
(1 living room, 3 bedrooms,
2 toilets)

预制房屋/Prefabricated house

Tempoary building
(16 rooms per row)

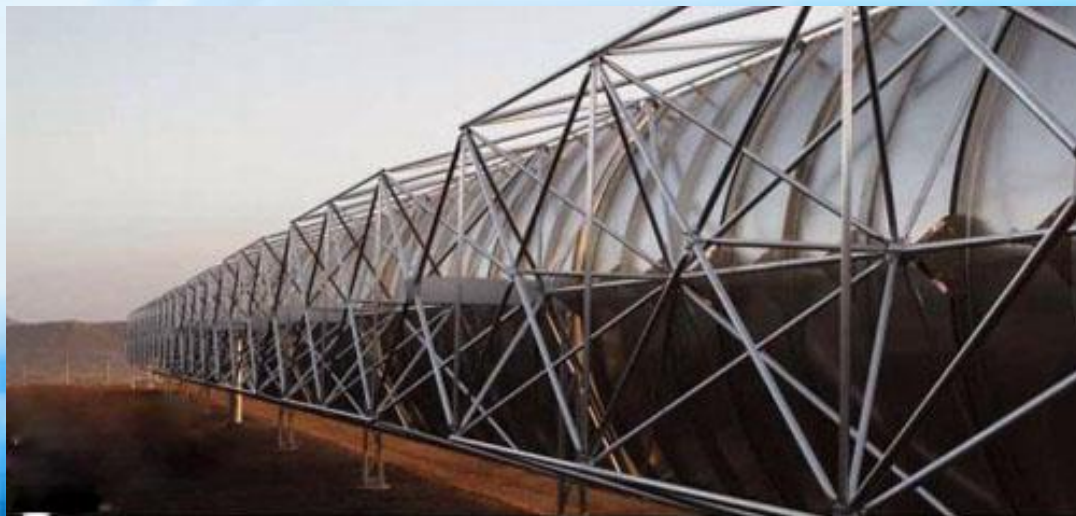

Tempoary building (multi-storey)
(14 rooms) for site workers
