

TARA Paper Recycling Enterprise

The marvel of TARA PaperMek Recycling Technology has been tapped by Northern Command of the Army in Uddhampur, J&K.

The Jawans of The Indian Army recycle paper waste generated in house and transform it into utility based office stationary products. TARA PaperMek Recycling Technology brings many Jawans together to work on the common cause of saving the environment.

The Northern Command at Uddhampur has pioneered the recycling initiative to promote the concept of Recycle and Reuse.

This venture has opened many other Indian Army establishments such as Army Central Command, Lucknow; Grenadiers Regimental Centre, Jabalpur; the Army School, Allahabad to adopt the TARA PaperMek Recycling System for concrete action in conserving the environment.
