About Us

Saffron has been an important part of the Indian spice industry for decades. It is considered one of the most important parts of Indian cuisine; its richness elevates the flavor of dishes originating from each and every part of the country. Saffron also has several medicinal properties, which makes it an important ingredient in ayurvedic as well as modern medicine. All these benefits can only be availed if one gets their hands of pure Saffron. Where to find it? Here at **Digvijay**. Responsibly, we bring forth high quality **Platinum Jalpari Saffron & Kashmiri Saffron**.

Under our esteemed brand name, **Jalpari**, we present a hygienically processed as well as quality tested gamut of **100 gm Platinum Jalpari Saffron, Kashmiri Saffron, 10 gm Natural Jalpari Saffron**, etc. Each variety is packed in experts acclaimed packaging, which provides great safety to saffron against contamination.

Following the lead of our mentor, **Mr. Bhushan Shah**, we are working in as a **manufacturer** and **wholesaler** in an ethical manner. Every day, we prioritize benefits of our customers. Regularly, we promise to assure safety of clients while dealing with our business concern.

Why Us?

In the Indian saffron industry, we have established an unrivaled position for our enterprise. Since 2015, we have been satisfying customers, earning their trust and providing maximum gratification to them. This customer centric business approach has supported our endeavors in the segment and pushed us towards success.

Quality Assurance

Quality has always been a core focus of our enterprise. To assure the high quality of our collection of 10 gm Natural Jalpari Saffron, 100 gm Platinum Jalpari Saffron, etc., we have partnered with NABL accredited laboratories. At this lab, we conduct stringent tests on randomly selected samples from our stock. The tests allow our company to confirm the compliance of our collection with the latest standards of saffron domain. We will be investing more on quality control activities in the future years, in order to continue excelling in terms of product quality.
