Kitchen inner lock

A stainless steel hot case with four compartments. The leftmost compartment is open, showing a metal tray. The other three compartments are closed with lids. On the front left side, there is a control panel with a black switch, two red indicator lights, and a black dial. The case is mounted on a metal frame with four legs. The background shows an outdoor setting with a corrugated metal wall and some greenery.

MS/SS square type sitting dining table

Dining MS/SS square type stole dining table

MS/SS round type sitting dining table

Dining MS SS square type sitting dining table

A photograph of a cafeteria or dining hall. The room is filled with rows of black rectangular dining tables. Each table is supported by a central stainless steel leg. Two stainless steel stools are attached to the bottom of each table. The tables are arranged in a grid pattern, receding into the distance. The floor is a light-colored, polished concrete. The walls are a neutral color, and there are windows visible in the background. The overall atmosphere is clean and functional.

Kitchen inner SS hoods with Ducting

VisualLightBox.com

A photograph of a commercial kitchen featuring two large, stainless steel (SS) range hoods. The hoods are suspended from the ceiling by metal chains and are connected to a network of stainless steel ducting that runs along the ceiling. The kitchen walls are also clad in stainless steel panels. The lighting is bright, highlighting the metallic surfaces.
