About Us

Cleia Tiles is primarily a global hi-tech company offering premium and value added ceramics lifestyle solutions. We are offering a wide range of products for Wall, Floor, Polished Porcelain Tiles and Work Surfaces.

Our product portfolio comprises premium Polished Porcelain Tiles, Vitrified Tiles as well as Glazed Porcelain Tiles, Floor Tiles, Porcelain Tiles, Digital Porcelain Tiles and more. We are adding new designs to the range on a monthly basis in varying sizes, colours as well as finishes. Our finishes include rustic, polished, semi-polished, matte, glossy, stone and mosaic, appropriate for applications in both commercial as well as residential spaces.

As far as the quality standards are concerned, Cleia is highly dedicated to the core values of integrity, ethical practices as well as responsibility towards clients and the environment.

Production Facilities

Cleia Tiles believes that to create quality products, one needs quality production setup. The company has brought in the best production facilities from the world with a huge capacity and state-of-the-art machinery. The automated production line is supported by swift computers and latest technology. Whats more, the technical staff is well experienced in diverse fields too. It is the biggest production plant in India for 600x600 mm, 800x800 mm, 600x1200 mm, 800x1600 mm tiles and 1200x2400 mm.

Our Mission & VISION

To be a loyal partner in offering holistic yet stylish wall & floor decor solutions with constantly satisfying as well as delighting the patrons bringing the Indian way of life to people across the world in an imaginative blend of cultures in more than 50 countries.

To create meaningful life for customers and stature where we are symbolized for novelty and creativity globally.
