

Who we are

Lush International is pioneer in human hair extension services. We are No. 1 wholesaler of human hair. Our hair extensions can enhance your personality. We offer wholesale human hair extensions to salons, retailers and private individuals. Reputed stylists around the world use our products. Our products are wowed for its perfection, vibrant shades, range, texture and style.

Lush International is an Indian human hair industry that provides 100% bulk Virgin human hair extensions, Indian raw virgin human hair extensions, virgin human hair extensions manufacturer, virgin Remy hair extensions, raw virgin Indian hair, Indian temple hair, Raw Unprocessed Indian Hair to their clients at very affordable rates. Having gorgeous, healthy, shiny and beautiful hair is what every women dreams of but unfortunately due to a number of factors, it becomes increasingly difficult to maintain the health and beauty of your hair which ultimately results in severe hair loss and rapid receding hairline. This is where the services of an Indian human hair suppliers like us can help you a lot in hiding the bald patches of yours with effortless ease and with utmost convenience.

We, at Lush International, the Indian hair company provide only the highest quality of Indian virgin Remy human hair to our clients in highly competitive rates. We are one of few companies who buy top quality virgin human hair directly from the temples as you might know that Indian women in south India tend to shave off their heads for the sake of religious purposes which provide us with the great opportunity to buy human hair extensions directly from temples. We supply only natural human hair that with no chances of any kind of artificial or synthetic hair.

We take extreme care of the collected hair so that their cuticles remain undamaged and running in the similar direction to avoid any kind of tangling. Our extreme emphasis is laid on the fact that hair of one donor does not get mixed up with that of the other so that to make sure that each hair bundle that we possess must have same hair texture. Our primary market besides India is USA, UK, China, Africa, Europe and Jamaica which has helped us to provide hair boutique, Indian virgin hair experience to people all across the globe. Our unique selling point is the excellent quality of hair that we supply that can be used to adorn all kinds of personality, be it shorter or longer hairstyle.
