MD's Message

Sky is the limit for those who feed on challenges. **Mr. Ashok Kumar** is a living testament of this philosophy. Spearheading Home Hygiene products business operations and blazing new standards in the market, he is the guiding force behind the steady growth of brand "**CLEANZO**". Under his leadership, the company has shown remarkable growth on all possible fronts and is poised to leapfrog in the competitive global marketplace. He believes in working aggressively to position "**CLEANZO**" as the fastest growing cleaning brand in the domestic as well as international markets.

“ Ours is a fast growing company, we dream big and we are not afraid to try out even seemingly impossible ideas. Our failures have become stepping stones to our most significant successes. We have been changing the market, changing products, changing processes, changing the consumer’s expectations and changing mind sets at an amazingly rapid pace in the cleaning Industry. ”
