Message from MD

Dear customer,

With the change of time and activities, it is very much essential that the organization needs to be upgraded to meet the competitive future.

With a humble beginning as Lift Maintenance service provider, Kannan lifts now has risen to a Private Limited company with more than 300 clients and 1000+ lifts.

Kannan Lifts is one of the top elevator company in the field of vertical growth for the past ten years and we are located in the heart of Chennai metro city, one of the cyber city in India.

We do efficient services in the elevator industry for the ever increasing client base, keeping in mind the highly demanding time schedules, complimenting high quality with speed .

Our Organization has profound and proficient managers and technocrats, who are qualified and experienced in the field of Mechanical, Civil, Electrical & Electronics. The human capital of Kannan lift has both domestic and international elevator market exposure.

We have well experienced technical consultants in designing of customized lifts with the state of the art infrastructure. We take full responsibility for manufacturing of exclusively designed products with quality, in compliance of ISO and EN norms.

We take tremendous pride in our work and truly believe in going the extra mile. Our reputed clients are like L&T Group, Tanishq, Titan group, Chennai Corporation, Bangalore Railways, Eyetex etc., to name a few. We are planning to expand our company and seeking projects from Potential markets across India.

This phamplet covers our product profile with sample photos and product presentation for your better understanding. You can also visit our website **www.kannanlifts.com** & **www.kannanlift.in** **www.cooperelevators.in**

We look forward an opportunity to associate with you.

Warm regards,

J. Kannan
