# About Us

Popular Agro Products is a reckoned provider of a wide range of nutrition, purity and tasty Rice such as Biryani Rice, Sortex Rice, etc. We have carved a niche in the market as a prime Manufacturer, Supplier and Trader of a huge array of Rice like Biryani Rice, Sortex Rice etc, having qualitative features. Our strong business tie ups with the Kyama / Gobindo Bhog farmers having awareness of traditional understanding and skills help us to provide the clients with the quality range. The vast experience of the farmers along with latest crop management practices helps us to provide the clients with our harvest. We are equally committed to enhance the skills and talent of the team to implement new production methods and technologies such as advanced milling techniques to the Kyama / Gobindo Bhog business. Our brands are known in the global market for matchless quality, features and affordability.

# Quality Assurance

popular Agro products

Quality is the prime motto of our company. We have been offering utmost quality range of products such as Sortex Rice, Biryani Rice, Kyama Rice, Gobindo Bhog Rice, Jeera Rice, Ghee Rice, Joha Rice, etc, after testing the whole product line on the given below factors:

- Purity
- Taste
- Aroma
- Color
- Adulteration

Our team of experienced quality controllers employs advanced technology machines and tools to test the whole product line. When the above factors are checked properly, all the products are packed in food grade packaging to keep the properties intact for a longer period of time.
