About us...

Set up in the year 2014, ALLOES PHARMACEUTICALS is based in all over India. We are top otc of Pharmaceuticals in the country. We adhere to customer friendly policies and avoid the usage of business strategies that are against environmental norms.

Vision

To become respected company in the global Pharmaceuticals industry.

Mission

Our motto is to achieve Total Customer Satisfaction, catering to the needs of a wide range of therapeutic areas to expand our product lines and ensure supply of complaint-free products.

Infrastructure

ALLOES has excellent facilities for the manufacture of its wide range of products. Further, there are integrated sections for production, quality testing, product packaging and storage facilities which assist for organized and timely execution of entire business orders. All the manufacturing equipment used match the latest in the industry.

Factory

Our factory is fitted with machinery and equipment suited for the bulk manufacture of Pharmaceuticals Intermediates. We have been able to consistently maintain a high production capacity. From time to time, all facilities are upgraded as per the latest technology.

Major Markets

We have carved out a niche for ourselves in the marketplace as a Supplier of high quality medicines. Our clients largely hail from :

- **Gujarat • Rajasthan • Maharastra • Madhya Pradesh**
