Know Us:

We are a flourishing name in the market of blankets and certain winter wears like blazers, jacketing material, woollen fabric and others. Though manufacturing, exporting and supplying a wide range of woollen products we specialize in superior quality blankets. Our range of blankets are specifically designed to serve different customer needs that includes acrylic blankets, institutional blanket, traditional blankets, picnic blankets, woollen throws, hospital blankets, calamity blankets, cotton blankets and other fine quality woollen blankets.

Creatively designed blankets are made available in fine quality fabrics, smart color tones and attractive patterns. Further to serve the current market demands we aim to manufacture blankets that are in sync with the on-going trend. Our promoters who have been playing an important role in our successful existence in the market are highly experienced textile technologists. With years of experience in woollen mills they are able to render quality service to the firm that has yielded fruitful result.
