

Arbuda Plastochem Private Limited

www.arbudaplastochem.com

We are one of the leading manufacturers and exporters of optimum quality Chemical Dyes. Owing to their effectiveness and longer shelf life, these Chemical Dyes are extensively demanded.

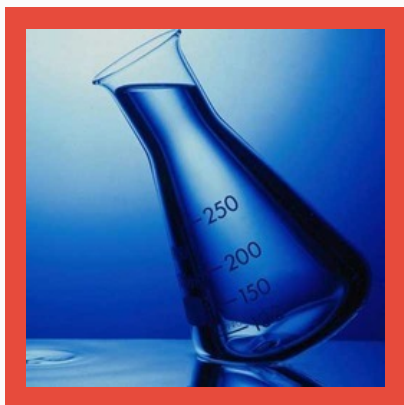

Introduction

An **ISO 9001:2008** certified **Arbuda Plastochem Private Limited**, established in the year **1996**, and are one of the topmost manufacturers and exporters a broad assortment of optimum quality Chemical Dyes. Offered range consists of Acid Dyes, Specialty Dyes and Solvent Dyes. The ingredients, which are best in the market, are used for processing the offered Chemical Dyes. Their effectiveness, compositional accuracy, non-toxicity, purity and enhanced shelf life makes these chemical dyes are widely appreciated across various industrial applications. By using advanced tools and equipment, our professionals process these chemical dyes in compliance with the set industry norms and regulations. We have been able to offer these chemical dyes with tamper proof packaging owing to our well-equipped packaging unit. In addition to this, the offered chemical dyes are available with us in all the standards colors.

Our ability to meet the bulk orders has helped us in catering to the needs of our valuable customers in the most efficient manner. Some of the countries where we have successfully exported our product range are **USA, UK, Europe, Japan** and **Middle East**. To ensure that all the on-going processing is carried in compliance with the set industry norms, we have carefully divided our infrastructure into several units. Established at Mehsana by our mentor, **Mr. Devendra**, we have been able to cater to a huge clientele. Our mentor has helped us in catering to the needs of our esteemed customers in the most efficient manner.
