

Advance Decorative White Cement

Description:

Decorative white cement cetcoat DWC is a wall decoration material which is ground by high quality white Portland cement clinker by the advanced technology and result characterized by high whiteness, high strength, excellent degree of fineness, good adhesion, high construction performance, high consistency, etc.

Advantages:

- More Whiteness & Brightness
- Decorative & Economical
- Aesthetic Appeal
- Superior bonding with surface
- Strength of adhesion to the base is distinctly improved.

Area of application:

1. Designer Flooring

You can put your personal touch on almost any part of your house, be it interiors or exteriors, using cetcoat DWC decorative white cement as your magic tool. So go on and be amazed. Envisioning your dream home has never been so easy!

2. Marble Flooring:

Though marble stone is naturally white and elegant, it's also translucent and porous in nature. If marble is laid on a grey cement base, it starts to look dull and grey, losing its aesthetic charm. An effective way to prevent this is to lay it on a thin layer of cetcoat DWC decorative white cement in the form of slurry. This acts as a white separator reflecting 100% light and preventing the grey cement from penetrating through and ruining the look of your marble.

3. Terrazzo Flooring:

Cetcoat DWC is durability, beauty and low cost. It is prepared on site creating an almost seamless floor finish that is second to none in terms of quality and maintenance. There are no grout joints to clean, just a completely flat surface. It is popular for residential & office buildings. It is premium flooring for a cost less than that of some imported marbles and granites. Other benefits of Terrazzo flooring laid by using cetcoat DWC decorative white cement are the endless color schemes, design & pattern flexibility that can be made to achieve exactly the effect you desire.

4. Architectural Uses

Stretch your imagination beyond just wall and floor finishes with cetcoat DWC decorative white cement. There are many recent innovations that have been made with cetcoat DWC decorative white cement. Some of them include the use of grass Reinforced concrete and pre-cast panels which have revolutionized the modern construction and design world.

Other aesthetic and creative applications include the use cetcoat DWC decorative white cement in making any landscaping or ornamental article imaginable. Read on, and be amazed!

5. Ornamental Uses:

You can now express your creativity by making any landscaping or ornamental article with cetcoat DWC decorative white cement that you can imagine! Cetcoat DWC decorative white cement has notable applications in the molding of sculptures, motifs, water fountains, benches etc.

Direction of use:

Cetcoat DWC Decorative White Cement should be adjusted by water to the density suitable as per above application as like white cement application.
