

KITCHENWARE & HOUSEHOLD PRODUCTS

WELCOME TO  PRODUCT.

COMPANY PROFILE

We, Gokul India Exim , are a company engaged in manufacturing a wide array of modernized Kitchenware and Home appliances under the brand of "ARNI".

With our primary focus on total customer satisfaction, we always strive to provide superior quality and the designs that match with the modern kitchen requirements.

Mainly, our products portfolio includes – Brass Bottles, Glasses and other Brass articles, Khalbatta, Kitchen Cutlery Sets, Pincers, Dicers, Vegetable Cutters and Choppers etc.

We understand the market needs, and keep pace with the most modern technology and innovation to ensure right quality of our products. We have always laid emphasis on "Quality with Competitive Prices", and that has enabled us to maintain trust of our wide customer base.

We look forward to join hands with our new business friends, and to strengthening ties with existing customers.
