ABOUT US:

Our organization named Malhotra Industries, is the appropriate destination for those patrons who are in seeking to purchase top grade products at a price tag that fits their budget. We came into existence in the year 2005 and have become the most acknowledged manufacturer and supplier that is honest as well as quality-centric. Our wide range of offerings includes Mi Chair Parts, Office Chair Parts, Chair parts, Plastic Chair Parts, Metal Chair Parts, Chair Base, Chair Arm Rest, Chair Accessories, etc. There are several customers to whom we have been supplying our products for long. At our premises, we also have the facility of warehousing in which we store the manufactured products with utmost care. Apart from this, when it comes to design, shape, size, colors, etc., we can provide an ample amount of choice to our customers. We are a one-stop shop which has the capacity to meet the different requirements of the customers in minimal time. Our creations are used both in commercial and residential places and are heavily in demand because of excellent attributes. Not only the production part but also the packaging process is also given utmost importance at our entity, so that the products may reach without any damage at customers place.
