

Announcement: 45th CIFF Guangzhou Opens on July 18, 2020

Respected exhibitors, visitors and friends from the industry,

The positive trend in containing COVID-19 has been expanded in China, yet the overseas spread of the virus has brought new challenges. Through comprehensive evaluation, the organizers have decided that **the 45th China International Furniture Fair (Guangzhou) (“CIFF Guangzhou”), originally scheduled for March, is postponed to July 18-21, 2020 (Home Furniture/Home Décor/Outdoor Leisure) and July 27-30, 2020 (Office Show and CIFM/interzum guangzhou).**

CIFF Guangzhou is always prepared to adjust and respond to changing circumstances. Giving full consideration to the welfare of exhibitors and visitors, the organizers have made cautious decisions and careful plans in providing a safe, healthy and ordered exhibition environment. Meanwhile, by the time work and production is back on track, exhibitors and visitors will have more time to prepare for the show. It is hoped that with pleasant atmosphere and rich content, CIFF Guangzhou- the best choice for product launch and trade-will give all participants a rewarding show experience.

As the “national team” of China’s furnishing exhibition industry, CIFF Guangzhou always rises up to tough challenges. Making the most of its advantage in mobilizing venue, exhibition and service resources, CIFF Guangzhou strives to put on satisfying performance for the industry. We hereby give our special thanks to exhibitors, visitors and all industry stakeholders for their continuous support. We believe as long as all industry members stand together to fight difficulties, China and the world’s furnishing industry will certainly embrace new development.

After the rain comes the shining sun. May China and the world defeat the epidemic soon. Wish all of you health and prosperity.

See you on July 18-21 and 27-30 in Pazhou, Guangzhou.

Regards,
