

CILF2019 Report

The 14th China (Shenzhen) International Logistics and Supply Chain Fair (CILF2019 in short), held by Shenzhen Logistics and Supply Chain Management Association, was successfully held on Oct. 10-12, 2019 in Shenzhen Convention & Exhibition Center. Since its debut in 2006, the CILF has been successfully held for 14 successive years and become an industry event for global logistics, which has made a remarkable contribution to promoting Chinese enterprises to take part in international division of labor and competition and attracting global logistics resources to China.

Analysis on Exhibitors and Visitors

Exhibitors at CILF2019

CILF2019 took " Reform and optimize supply chain, open up and promote value chain " as the theme, covered a total area of 65000 m², successfully attracted 1910 exhibiting companies from 53 countries, among which international exhibitors accounted for up to 30%, and 141000 visits from 83 countries and regions.
