My name is Carol Shigoli from Nairobi, Kenya, Manager at Allpack Industries Limited. The exhibition has been incredible, especially the first two days. We were impressed by the technology showcased in food processing and machinery. It's an excellent platform to explore advanced equipment and learn from India's manufacturing expertise. We are grateful and look forward to participating again!

Its been a wonderful journey at Indusfood Manufacturing.

SA FWU Industry Co., Ltd
(TAIWAN)

India Food Manufacturing Summit

The India Food Manufacturing Summit was designed to serve as a key knowledge platform, uniting experts from policy, industry, academia, and research. As the food processing industry is under continuous evolution, confronting various challenges, this summit will bring together thought leaders to share invaluable insights and explore solutions for future advancements.

Some of the notable speakers who were part of the dias were:

- **Ashish Agarwal**, MD, Bikharam Chandmal
 - **Rahul Shrivastava**, Export Head, Chandigarh Sweets
 - **Nikhil Doda**, Co-Founder, Lahori Jeera
 - **Kanika Dhingra**, Executive Vice President, Pachranga International
 - **Kajal Debnath**, Chief Regulatory Officer, DFM Foods Limited
 - **Ganesh Ahuja**, Managing director, Komal Exotic Spices Pvt.
 - **Abhishek Poddar**, MD, Nani Agro Foods
 - **Sandeep Nain**, Vice President - Sales and Operations, Goodrich Carbohydrates Limited
 - **Gunjan Jha**, Vice President, Gogia Chemicals
 - **Parag Patwardhan**, Vice President, Nichrome India
 - **Satbeer Cheema**, Director, Cheema Boiler
- and many more...

“Participating in IndusFood Manufacturing 2025 was an exceptional experience for SMC Agri Limited. Engaging with stakeholders, B2B buyers, and suppliers provided invaluable insights and opportunities. We are excited to expand our frozen segment across India and into international markets, and this platform has been instrumental in our journey. We look forward to exhibiting again next year.
